Our Mission Statement:

To Make Disciples of Jesus Christ for the Transformation of the World

Remarks from Pastor Allison

Fall has definitely arrived! The weather has cooled down and we have changed our clocks, getting back that hour of sleep we lost. As we move into autumn, folks have been asking about worshiping again in the sanctuary. The Worship Relaunch team met this month to be prepared for that when it is time. Here are the steps that must happen before we can gather inside:

- Tulare County must move from the Widespread (purple) tier to the Sustained (red) tier. In order for that to happen, our new COVID-19 daily cases must be at 7 or fewer per 100,000 people and our infection rate must be between 5-8%. As of October 27th, our infection rate is in that range, but the new daily case rate is 8.3. This is the lowest daily case rate in some time, so we are making progress, but we have a way still to go.
- In order to move from purple to red, the county has to stay in this range for three weeks. As soon as that happens and we are in the Sustained tier, we can begin in-person worship in the sanctuary.
- Our protocol for indoor worship was approved by the District in July, so we are ready to go as soon as the county's numbers fall and we are in the red tier.

I know that you are eager and ready to worship in the sanctuary, so I urge you to practice the three W's: Watch your distance; Wear your mask; and Wash your hands. All we can control is our behavior, and your following these practices will set an example for others.

Until that time, we are worshiping in the courtyard, and it reminds me of our Wesleyan heritage. John Wesley preached in the fields and at the entrance to tin mines at shift change, converting many of the tin miners. Initially, he called the practice "vile," but as he saw the response of the people who had not heard the word of God, he changed his mind and embraced open air worship. As Methodists spread throughout North America, one of the best loved times was the Camp Meeting. People would gather at a campsite and spend days, even weeks, in worship there. I discovered I have a relative who was converted at a Camp Meeting and received a call to ministry at the same time.

As the weather changes, we are adjusting the time of the service. **Beginning November 8th, we will worship at 11 AM instead of 9.** That will give the sun time to rise and warm us up before we come together.

Methodist Women's Fellowship

After much thought, prayer, and surveying the group, we have decided to cancel the monthly November meeting. We will let you know about the December meeting later. Thank you for all your tremendous help and support for our Harvest Dinner!

Thank you for your tremendous support for this year's Harvest Dinner! It was especially important that we continue the tradition of Harvest Dinner this year. I have been told that the dinner was started about 1950. The first cooker was Tetro Callister (Lois Kliever's mom). She went with the trustees to buy stoves in Los Angeles. And so our Harvest Dinners started. The next cook was Lois Brady (Beth Cox's mother). Then Beth did the dinner for about five years. Sally Anderson then took over. And then I took over. Tetro was president of UMW in 1952. Clita Bernardi made the dressing for Tetro and Lois. Sally learned from Clita. I learned from Sally's notes.

Thank you for selling tickets, buying tickets, helping to prep food, carving turkeys, serving the food, and especially helping us to continue the tradition of the Harvest Dinner!

HOW **NOT** TO WEAR A MASK

DON'T wear the mask below our nose

DON'T leave your chin exposed

DON'T wear your mask loosely with gaps on the sides

DON'T wear your mask so it covers just the tip of your nose

DON'T push your mask under your chin to rest on your neck

DO wear your mask so it comes all the way up, close to the bridge of your nose, and all the way down under your chin. Tighten the loops or ties to make it snug around your face, without gaps.

Meeting Wednesday November 4, 2020 12noon. We will meet in the Courtyard (Mask must be worn) if you would prefer you can join us on Zoom.

We will be discussing the future of our Sunday morning breakfast, Monday night dinners, the Clothes Closet, the Little Free Library and the possibility of a Food Pantry once a month beginning January.

Our Advent worship series and companion small group study this year will be “Incarnation,” based on Rev. Adam Hamilton’s latest book. “Incarnation” examines what it means when we proclaim that Christ our Savior is born, rediscovering the meaning of Emmanuel, God-With-Us. We begin the worship series on November 29th, and our first small group study will be on December 2nd. As of now, we will meet via Zoom on Wednesdays. However, if Tulare County’s

status changes and we are in the red tier, we will explore an in-person option.

Here are the topics for the series and study:

- Week 1 – Presidents and Kings
- Week 2 – The Savior and Our Need for Saving
- Week 3 – Emmanuel in the Midst of a Pandemic
- Week 4 – The Light of the World

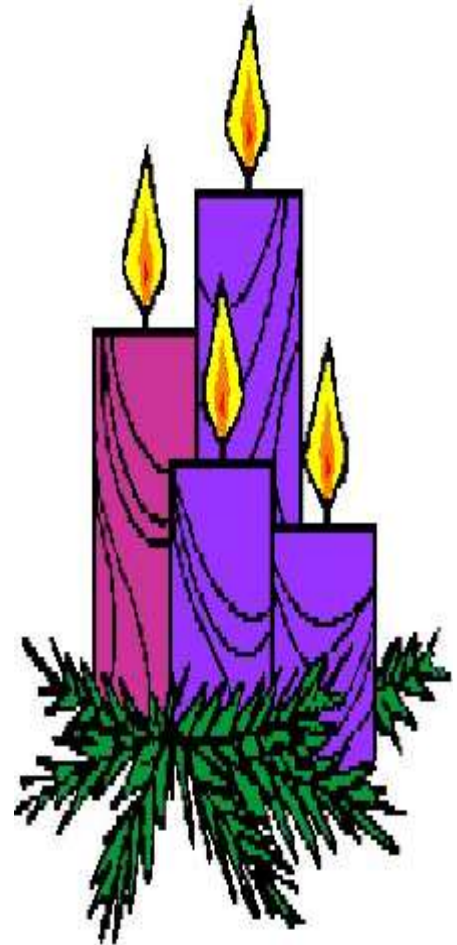

We have ordered several copies of the book and they will be available in the office for \$13 each. You may also download the ebook from Cokesbury or Amazon.

Annual Charge Conference Saturday, December 12th 9am via Zoom
